

# The Frangipani Langkawi

## Resort & Spa

Tucked between coconut palms and lush tropical gardens, the Frangipani Langkawi Resort & Spa is located by a pristine, white sandy beach overlooking the tranquil Andaman Sea and an archipelago of over 104 islands. The resort remains close to the bustling **Cenang Beach**, yet retains its natural charm as secluded hideaway as the two beaches lay parted by a cliff, accessible only by road. Over the years, The Frangipani Langkawi Resort & Spa has garnered a number of prestigious awards, including the **ASEAN Green Hotel Award 2014**, as well as **Tripadvisor's Top 25 Relaxation and Spa Hotels for Malaysia**. Enjoy breath taking sunsets while sipping cocktails at our **Coco Jam Beach Bar**. Our signature Frangipani Tea & Fritters are available at our in-house **Mentari Grill**. Resort facilities include Swimming Pools, one Salt Water Lap Pool, Outdoor Jacuzzis, an Anti-Oxidant Sauna, Gym, Watersports Kiosk, Tour Desk and Internet Facilities. For the weary traveler, visit our **Frangipani Spa**, and choose from a number of different treatments including massages, facials and many more. Allow us to welcome you to paradise and be pampered by our warm Malaysian hospitality, as you lose yourself in the beauty of Langkawi, The Jewel Of Kedah.
