Duration : Approx. 09 hours
Meal : Lunch included

To naturalists, nature lovers, botanists, biologists, bird watchers, mountain climbers and the ordinary you and me, the image of Kinabalu Park and its crown jewel Mount Kinabalu evokes such awe and amour. Enjoy a day crisp air while on tour. Among the highlights of the tour are:-

- ❖ **Kinabalu Park**
A 2 hours driver through padi-fields and Dusun villages over the ridges of the Crocker Range to the foothills of Mt. Kinabalu at 5,000ft, to arrive at the park headquarters at Kundasang. Visit the Visitor Centre and Mountain Garden; home to some of the 24 species of flowering rhododendrons, 10 species of carnivorous pitcher plants, estimated 1,400 species of orchids, over 600 species of ferns, more than 40 species of oak trees and over 300 species of birds.

- ❖ **Poring**
Drive another 40 km to Poring. Explore tropical rainforest among the jungle trail leading to the treetop canopy walkway suspended 41 meters above the forest floor before returning to Kota Kinabalu.

Note:
Bring along bottled water, insect repellent, hat, walking shoes and raincoat
