Pick up time : 0900 hours
Duration : Approx. 03 hrs

Enjoy the trishaw ride that will take you on a leisurely stroll in the city of Georgetown to discover the lifestyle of the Penangites. Amongst the highlights of the tour are:-

- ❖ **Fort Cornwallis**
 Fort Cornwallis marks the spot where the British fleet, under Captain Francis Light disembarked. Although little remains of the original site, there is the Sri Rambai cannon located here to denote history.
- ❖ **Weld Quay**
 Following reclamation of the land of Beach Street, Weld Quay became the sea-front road of Penang's port settlement. The jetty of the Chew clan is one of Penang's many "clan jetties", which are actually clan villages built on water. The timber houses are joined by plank walkways
- ❖ **Khoo Kong Si**
 It is the grandest clan house in the country. Magnificent intricate wood carvings of Chinese architecture can be seen on this building.
- ❖ **Street of Harmony – Jalan Masjid Kapitan Keling**
 Four historical houses of worship located at this street which is all known as Pitt Street. Among them are, the Buddhist Temple of the Goddess of Mercy, the Sri Mariamman Hindu Temple, the Kapitan Keling Mosque and St George's Church, all located on the same street.
