

GO UP NORTH!

Tour code : PGEX09
Pick up time : 0730 hours
Duration : Approx. 08 hrs
Meal : Lunch included

For excursion beyond Penang, take a trip to the mainland to venture into the unspoiled northern region of Peninsular Malaysia. Here you will find interesting discoveries and archeological sites. Among the highlights of the tour are: -

- ❖ **Kuala Muda**
Witness the old traditional way of trading where the fisherman displays his catch on the floor to interested buyers who will whisper a price to the seller as a form of bidding. The catch will be sold to the highest bidder.
- ❖ **Sungai Merbok**
The magnificent mangrove of Sungai Merbok is the largest forest reserve in Peninsular Malaysia and is home to approximately 30 species of true mangroves.
- ❖ **Bujang Valley**
Bujang Valley is hailed as the most significant archeological site in Malaysia. Bujang Valley Archeological Museum displays artifacts including pottery shards, ceramics and stoneware which dates back to some 1,500 years. The most well known exhibit is the Candi ancient tomb temple that was built in the 17th century. There are also statues of Indian deities similar to those uncovered historical sites in India as well as numerous other artifacts of Hindu-Buddhist Kingdom dating back to the 4th century A.D.
